

BRUNELLO DI MONTALCINO D.O.C.G.

Aged according to tradition in Slavonian oak barrels (average size 30hl) for thirty months and further four months in the bottle. Elegant and austere, it best expresses the potential of pure Sangiovese from the vineyards in the territory of Montalcino.

Bright and clear, garnet red. Intense and lingering aroma. On the palate, the wine is elegant and harmonious; dry with persistent aromatic length.

Pairs well with red meats, game, and aged cheese. Store in cellar at stable temperature (20° - 21°C). We highly recommend decanting this wine.
